

My Miracle II Testimony

Another testimony I'd like to share before we close this chapter on cleansing, is one I experienced a year ago in 2005. I was asked to speak at a meeting in Pennsylvania on Holy Nutrition, and after the teaching I was given a bottle of Miracle II Soap and a bottle of Miracle II Neutralizer Gel. The brother shared with me many testimonies of its healing power, as did a doctor who entered into the conversation with his results.

As we stayed over night before returning home, I used the Soap the next morning as a shampoo and bath soap in the shower. And to my amazement, an itchy rash that I had been fighting for several years under my arms was completely healed by that first use. Praise the Lord! I had been praying and trying various products for years, and could only find temporary relief by using a lotion which I had to use once, twice, or occasionally three times a day. I had finally told the Lord a year or so before that I knew I had received my healing, thanked Him for it, and would wait upon Him until I had it. This was because Jesus said, **"For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them"** (Mark 11:23-24 KJV). Now it was God's way and time, and I had it, and I still do. Praise God!

Naturally I came home very excited about a new, natural, "miraculous" healing product, as I have been involved with natural as well as supernatural healing for over thirty years. Upon investigation, I learned how Clayton Tedeton had received his Miracle I as a miraculous healing from a severe car injury by the Word of Knowledge and prayer through a TV program. Then he was saved and filled with the Holy Spirit, and God gave him an open vision one night and he read the formula for the Soap from the wall as we remember the handwriting on the wall in Daniel's day. It's an amazing story, and anyone who loves God and has true spiritual

discernment can agree and rejoice in God's revelation and goodness. I immediately became a wholesale distributor so that I could bring this blessing to people and help others to become distributors so they could minister also. Together we have seen so many miraculous healings, and we give all the glory to God. This was Clayton's second major miracle, and why it is called Miracle II. I use it for shampoo, bath, at the sinks, for the dishes and laundry, and its especially good for spot removal also. God is the Master Chemist, and He loves to choose the foolish people of this world to put to shame the wise, and the weak to shame the strong, and the nobodies to shame the somebodies, that no flesh should glory in His presence, but that He would receive all the praise and glory through Jesus Christ our Lord. (1 Corinthians 1:25-31) In these last days He is shaking everything that can be shaken, that only that which cannot be shaken will remain (Hebrews 12:25-29), and so the greedy, proud, godless and blind "professionals" are finding themselves outsmarted by the humble and godly "unprofessionals."

Praise His name forever!

This testimony is from my book, *Holy Nutrition*, Chapter 9, pp. 76-77.

Since this was written, we have introduced Miracle II products to many people, and helped a number to become distributors, including professional doctors, a health food store, hair salon, and individuals. I wish I had more time to expand, as this is such a great product given by revelation from the Lord, and will benefit everyone. I suggest you read or listen to the testimony by Clayton Tedeton, and also read about the many purposes it is used for. May God bless you!
